Hi Lisa,

It looks like the executive brief will happen on Thursday at 4p at Trump Tower.

Good morning,

Hope you had a great weekend!

Just wondering if you got the details regarding the location of the "task delivery"? Hopefully not on the roof terrace since it's supposed to rain on Wed. J

Also, is Tuesday's meeting at 4pm or 5pm?

When and where is dinner on Wednesday?

Will there be an "on-camera executive debrief" on Thursday? If so, when and where?

I think that is it. We're almost there! Looking forward to it! Make sure to order up some great weather for us!

See you soon!
